The **ISWA 2025 World Congress** will be organised by the *Asociación para el Estudio de los Residuos Sólidos -ARS*, the national member of ISWA in Argentina, with the support of the **ISWA Latin America and Caribbean Regional Chapter -ISWA LAC**.

ISWA – International Solid Waste Association - is a Global, Non-Profit Association, working to Promote and Develop Sustainable and Professional Waste Management Worldwide and the transition to a Circular Economy.

Together with more than 40,000 members in 110 countries ISWA has created a unique global network of contacts.

The **ISWA World Congress** is the most important global event in the field of solid waste management.

Since its inception in 1972, it has been regarded as the premier event in solid waste management.

ISWA Congresses attract a large number of participants.

The last congresses, held in Singapore (2022), Oman (2023) and Cape Town (2024), were attended by more than 1200 participants each time and provided a unique opportunity to access the latest developments and proposals worldwide, both in terms of equipment, technology and experience for proper waste management and circular economy.
